Metal sign perfect day

Article number: 19560383 - PU 1

THIS IS WHAT A GOOD DAY LOOKS LIKE

Sometimes a single glance is all it takes to set the tone for the day. This metal sign brings the everyday life of a shopkeeper to your wall with a touch of humour, turning coffee, working hours and the end of the day into a design with character. The embossed surface gives the design a tangible depth and ensures that the look not only catches the eye but also makes a lasting impression in the room. For everyone who has a clear vision of their perfect day.
