T-Shirt Men Full Control

Article number: 19800132 - PU 1

FULL CONTROL WITH STRONG CONTRAST

This T-shirt features a black base, making the design with its yellow warning stripes really stand out. The vertical 'Full Control' lettering runs strikingly across the chest and looks particularly angular thanks to the white letters. At the bottom, the Kramer label neatly rounds off the look. A T-shirt that catches the eye without being too loud.
