Hoodie Men Oversize Drive

Article number: 19800133 - PU 1

IT GETS TECHNICAL AT THE BACK

This hoodie features a light grey, soft look with a relaxed, oversized fit. The front design is understated, with small 'Full Control' lettering on the chest and a Kramer label on the pocket. At the back, the yellow telescopic handler immediately catches the eye and, together with the black lettering, looks crisp, technical and really striking.
